Pompton Lakes, NJ	9.0	6/8/2006	9.09	1,410	Minor	Passaic	Ramapo	Passaic

Weather Summary

A coastal low pressure system moved northward towards the New York Metropolitan Area on June 7th. The low remained offshore, but it brought heavy rain showers across Northern New Jersey for much of the day. Scattered showers continued on June 8th as the region remained in a trough. Over an inch of rain fell in several locations in Northern New Jersey as a result of this storm.
